CHELE

ABOUT THE ARTIST

Prepare to surrender yourself to the magnetic allure of Chele, an extraordinary Berlin & Mexico based artist and DJ whose name translates to "Milky Boy" in Central American slang. With a sound defined as a mesmerizing fusion of Downtempo, Bass & Melodic House, and IndieDance, Chele crafts a sonic experience that transcends boundaries and takes you on a euphoric journey.

Chele concocts a melodic and sexy blend of electronic music, infusing it with a profound edge that resonates with your unapologetic spirit. His music flows straight from the heart, captivating your senses and will have you dancing with unbridled passion.

Whether it's a sun-kissed daytime beach setup or a pulsating basement club at night, Chele possesses an innate ability to enchant you on the dance floor, creating the soundtrack so the night becomes an unforgettable adventure.

With his versatile selection of music, he curates the perfect atmosphere for any setting, seamlessly weaving together diverse genres and rhythmic baselines.
